Imminent!!

RICARDO BARROS, PPC member, pro-photographer, popular instructor, author and now Guest Speaker will headline the program at our regular CLUB MEETING on WEDNESDAY, DEC 8, AT 7:30 PM ([PPC meetings info](#)). Ricardo will be showing his own work, including nudes, portraits, and landscapes. Of his PPC talk, *A Few Things I've Learned Over Forty Years*, Barros says:

"... my goal is to address something larger than my portfolio in this presentation."

"I hope to shed light on how we, as viewers, may look at and speak critically of contemporary visual art."

For over fifteen years Ricardo was Photographer in Residence at Grounds for Sculpture. His images are in the permanent collections of several major museums, including the Smithsonian and Philadelphia Museum of Art.

As a former student of Ricardo's, your editor is looking forward to a thoughtful, insightful talk, with an abundance of good photography as a visual bonus.

SUBMISSION GUIDELINES

(Please contain your excitement -- No recent operational changes. Text was expanded for clarity.)

Please read this, then SHARE NEWS of your photography awards, exhibitions, publications, and other public acknowledgments of merit by sending *your* images and story *directly* to the Newsletter Editor:

JerryGerberPhoto@gmail.com. Your submission implies that you are OK with these Guidelines:

1. *Members News (MN)* mission is to celebrate and promote members whose photography has been publicly recognized as being of high merit. **We seek timely news** from members about their awards, exhibits, publications, and other recognition of exceptional photography or knowledge about photography.
2. We don't seek out stories. We don't print stories from one club member about another. If *you* want *your* item in *MN*, send it to the editor yourself, and identify it as "For Members News." Send to JerryGerberPhoto@gmail.com.
3. Everyone wants to see your Images! Include a couple of any size and format. Name your image files as: **Lastname_Firstname_ImageTitle.jpg**. (*MN* image labels derive from the file name.)
4. Tell us the whole story. Include at least **contact info, and the who, what, where, and when** of your item. More info is better than too little. The editor likes to cut.
5. **Your text will be rewritten, edited, and quoted** at the editor's discretion for consistency with the *MN* style and format. **Your images will automatically be sized and processed** to a common *MN* format. **Press Releases do not run as submitted**. They will also be altered to fit the Newsletter style and format.
6. Please do not send us material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or similar materials owned or created by others.
7. Submit date-sensitive information at least three weeks before the event to ensure timely coverage.
8. Accepted stories will be distributed by email and posted on the PPC website.
9. We try to get it right. If we err and you let us know, we'll print a correction in a following issue.
