Valerie Chaucer-Levine, Joanne Donnelly, and Fred Everett will each have an image on display at the upcoming *Gallery 14 Juried Exhibit*. This show departs from the regular Gallery 14 fare in that (1) images

were selected by juror and respected Princeton artist, Ernestine Ruben, and, (2) Gallery 14 members' work will not be on display.

Valerie's piece of the wall will show her "Geometric Walkway," an aptly named image with interesting juxtapositions of light and shadow.

Joanne's delicate "Sakura," is textured and beautifully different from other cherry blossom images we've seen.

Fred's "Alonely Night" reveals his characteristic talent for infusing fantasy and wonder into his photographic art.

Looks to us like a fine exhibit is in the making!

The Gallery 14 Juried Exhibit runs from July 15 through August 14 at Gallery 14, 14 Mercer Street, Hopewell, NJ. Come to the opening reception on Friday, July 15 from 6:00 to 8:30 pm.

"Meet the Photographers" is scheduled for Sunday, July 17 from 1:00 to 4:00 pm. For exhibit hours and other information, visit: <http://www.photogallery14.com/>

Don't Dilly-Dally. Drive Down to DALET!

Charles Anselmo, Ricardo Barros, Carl Geisler, and James Pryor have several photographs in the varied-media group exhibit, *Urban Ingredients*, on display at member Leo Vayn's **Dalet Gallery**.

The photo on the right is one of several from Ricardo's book project, "Touching the Hood."

If you haven't seen this *very worthwhile* show, there is still time to catch it. The exhibit *closes* July 30!

Find the Dalet Gallery at 141 North Second Street, Philadelphia PA. The location is in one of Philadelphia's "fun" neighborhoods -- yards from historic Elfreth's Alley in an area well-stocked with galleries and restaurants.

Dalet's web site: <http://www.daletart.com> has a complete list of exhibiting artists and sample images, including several from the four PPC photographers. Check there for exhibit hours.

SEMI-HIBERNATION TIME. Remember, *Members News* is on a reduced publication schedule until the fall. Deadline for our receipt of your news to appear in the next (Mid August) issue is July 31. Keep the news and images coming in. We'll resume our regular twice-monthly schedule in September.

Personal Photography Websites now in *Members News!*

Members News has become the place to share our personal photography websites. Starting with this issue we'll carry a list of links to members' own-photography websites. The links are "live," so readers can easily jump to a website without closing *Members News*.

"Thank you" to the dozen members who responded to Ilya Genin's request for site links. Ilya planted the idea for the list by offering to share his *Pbase.com* images with the club. We liked that, and agreed that a good way to give all members a similar opportunity was to publish a list in *Members News*. The result is an easy, efficient way for those of us whose images are on the web to share them with the club and beyond.

To respect privacy, we list only those sites whose owners have asked us to.

What Members News is About

Members News celebrates and promotes members whose photographs, photography knowledge, or skills have been publicly recognized. We are a source of timely information for members wanting to support their fellow club members' activities. We help members know each others' work.

To these ends *Members News* solicits and reports news and images from members about their own upcoming exhibits, openings, publications, lectures, classes, and other public photographic activities. We also publish non-exhibition-photographs and a list of members' photography websites.

Information for Contributors

Please read the following, then submit your news, images, or own photo-website link *directly* to the [Newsletter Editor](#).

1. How To Get Your Item Into *Members News*

- We don't scout out news. To protect privacy, we don't print stories from one club member about another. If you want your story told on these pages, you've got to **e-mail the editor** about it yourself at: JerryGerberPhoto@gmail.com

2. What and How To Send

- Send us
 - 1) timely news about your own upcoming exhibits, publications, and other public recognition of merit.
 - 2) non-exhibition images from members who seldom exhibit. These will be published on an as-needed basis. Please send us work you are proud of. This feature is open to members who have not had an image in *Members News* within the last six months, or so.
 - 3) links to members' own photography websites for inclusion in the **PPC Members' Websites** list.
- E-mail your submission directly to the editor at JerryGerberPhoto@gmail.com, subject: "Members News."
- Include an image or two (any size, filetype, and color space) with your exhibition announcement. Re-name image files as: **Lastname_Firstname_ImageTitle.jpg** (Example: Gerber_Jerry_LostToy.jpg). *[We separate image files from e-mails on receipt for later batch-processing. We need title and artist attached to the image-file, to ensure correct labeling.]*
- Don't concern yourself at all with the quality of your writing, but please give us accurate information. Tell us everything that an uninformed reader would need to know to attend your event or acquire your publication. For exhibitions and award ceremonies include as much of these as you can: **venue name and address, contact information, opening and closing dates, exhibit times, event fees (if any), other useful or interesting information.**

For publications tell us **publication name, cover-date or volume, and in-store date**, as known. Extra information is better than too little. The editor likes to cut.
- We respect copyright laws. Please do not send material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or materials owned or created by others.

3. When To Send

- Most of the year, submit date-sensitive information at least three weeks before the event to ensure timely coverage. Double that time for events from July through September. If you can't give us that much lead, send your item anyway. Sometimes it works.

4. What We'll Do To Your Submission

- Your text will likely be edited or completely rewritten for style, format, and content. Your images will be re-sized and processed to a common *MN* format. Press Releases may be rejected if they cannot be readily altered. If accepted, they will be changed to fit the Newsletter style, and format.
- Accepted stories, images, and links will run in *Members News*, a newsletter which is distributed by e-mail to club members and beyond, and posted on the *Newsletter* page of the PPC web site. Images are offered to the PPC webmaster for possible posting elsewhere on our website.

5. When We Goof

- We try to get it right. If we err and you let us know, we'll print a correction in a following issue.

6. Need help? Have questions?

- Drop the editor an e-mail: JerryGerberPhoto@gmail.com
